

TOWN OF TOLLAND RESIDENT'S GUIDE TO SOLID WASTE AND RECYCLING DISPOSAL

Revised July 2015

We are encouraging residents that have not signed up for our Tolland Town news by e-mail to do so. All you have to do is go to our homepage www.tolland.org and look for the E-BLAST Sign-up logo or just drop your e-mail address off at any Town department and we will sign you up. We send out important news on what's going on around Town and community happenings on a regular basis. Future changes in Solid Waste & Recycling Disposal Regulations will be distributed only by electronic means. The Town also encourages you to follow us on Facebook at Town of Tolland and Twitter at TownOfTolland.

ALTERNATIVE DISPOSAL AVENUES

- Many items such as furniture and clothing can be given to the Salvation Army, Goodwill, Big Brothers/Big Sisters or the Windham Area Interfaith Ministry.
- The Hockanum Valley Clothing Bank receives clothing. Call (860) 871-9825.
- Junk and/or antique dealers.
- For large amounts of construction debris (over one cubic yard) a private hauler must be hired. The Yellow Pages would help in this pursuit.
- Electronics and appliances can be disposed of at Green Monster e-Cycling, 150 Brook Street, West Hartford, CT. You may contact them at (860) 231-1426 or visit their website at www.greenmonsterecycling.com.

**TOWN OF TOLLAND
RESIDENT'S GUIDE TO SOLID WASTE AND
RECYCLING DISPOSAL**

INTRODUCTION

This pamphlet has been prepared to assist Tolland residents in disposing of their solid waste materials. Please read carefully and save for future reference.

Legal Basis

The Connecticut General Assembly mandated that municipalities institute a recycling program by January of 1991. The Tolland Town Council adopted an ordinance outlining solid waste practices for the community which was consistent with our statutory obligations and our contractual obligations.

Payback of Recycling

Conserving energy, our natural resources and cost containment are significant reasons for the institution and management of a comprehensive solid waste program. Everyone benefits if we all cooperate. Therefore, your total cooperation is encouraged.

Collection

- There are four categories for trash: regular garbage, recyclables, metal and bulky waste. Trash, recyclables, metal and bulky waste are collected at the curb beginning at 6:00 a.m. Drivers are not allowed to cross the road from one side to the other. Only one side of the road is picked up at one time. **Beginning 7/1/14, Town sponsored metal/bulky waste pick-up will be picked up 2 times per year. Town sponsored metal/bulky waste items will be picked up during the first full week of September 2015 and April 2016. Our vendor, Willimantic Waste Paper, will do 10 additional monthly metal/bulky waste at curbside pick-ups per year with the resident being charged by the vendor \$32 per pick-up for up to (4) reasonable sized items. Reservations are not confirmed until payment is received by Willimantic Waste Paper for those months where there is a charge. Paid reservations can only be done by calling Willimantic Waste Paper at the phone number below. Oil pick-up at curbside has been eliminated due to environmental concerns. Some auto parts businesses take used motor oil. Bill's Auto Parts is one local option. All other procedures for bulky waste will remain the same.**

To schedule this pickup you must call (800) 286-5335 or (860) 423-4527 or you may make a reservation through the Willimantic Waste website at www.williwaste.com four days prior to your normal pickup day.

Containers

Regular garbage should be placed in a 65 or 95 gallon rolling cart 18" from the curb or roadside. Recyclables should be placed in your blue rolling cart.

Curbside

Containers and materials to be picked up must be at the edge of the property no more than 18" from the curb or roadside.

HOLIDAYS

**NEW YEAR'S DAY
MEMORIAL DAY
4TH OF JULY
LABOR DAY
THANKSGIVING DAY
CHRISTMAS DAY**

**No collection will be done on the Holidays identified when the Holiday falls on a weekday.
All collection will be delayed by one day following the Holiday when the Holiday falls on a weekday!**

If the Holiday falls on the weekend (Saturday or Sunday), there will be no delay in your pick-up.

DEFINITIONS

Regular Solid Waste consists of normal household trash, garbage or rubbish created by single family residents.

Bulky Waste consists of furniture, mattresses, box springs, odd pieces of construction debris, toys or other non-hazardous waste material. Two tires per bulky waste pick-up collection are the limit.

Recyclables consists of newspaper, junk mail, cereal boxes, cardboard, magazines and hard and soft cover books, phone books, rinsed glass bottles, tin cans, aluminum cans and plastic containers #1 through #7 must be placed in the blue rolling cart.

Metal consists of non-contaminated scrap metal which is free of non-metal materials. It also consists of appliances, automobile parts, wiped clean latex paint cans, rims from tires, bike parts, lawn chairs, bathtubs, sinks, etc.

Electronic Waste consists of computers, monitors, printers and televisions. As of January 1, 2011, Willimantic Waste no longer disposes of electronics for Tolland residents. A Tolland non-profit organizes one-day electronic collection events in the Fall and Spring. Please check our website for an upcoming date. Staples Stores offers recycling of computers and peripherals and Best Buy Stores will recycle smaller televisions, DVD players, computer monitors, audio and video cables, cell phones and more. Green Monster e-Cycling, 150 Brook Street, West Hartford, CT will also accept electronics and appliances. You may visit their website at www.greenmonsterecycling.com or contact them at (860) 231-1426. For national computer reuse organizations that distribute computers to schools, non-profits, the needy, unemployed or disabled, visit the National Cristina Foundation at www.cristina.org.

NOTES

There is a maximum of 1 garbage rolling cart (those residents who purchased a second garbage cart prior to September 11, 2012 can still use it) and 2 recycling rolling carts per household (up to 50 households can purchase a second recycling cart).

Rolling carts provided by the Town do not belong to the homeowner. Should homeowners move, even within Town, the rolling cart remains at the residence. Any additional garbage/recycling rolling carts purchased are the property of the homeowner.

The rolling carts are designed to provide years of dependable service. Housekeeping of the rolling cart is the responsibility of the homeowner. An occasional washing with water and a little ammonia or disinfectant cleaner will keep your rolling cart from smelling.

Normal wear and tear is to be expected, however, loose wheels, damaged lids and the like can be brought to the attention of the Waste Contractor's Customer Service Department for evaluation. If the damage is the result of normal wear and tear, they will make the necessary repairs. Damage resulting from abuse, accidents or other causes is the responsibility of the homeowner. The exception, if a police report is filed by the homeowner, then a stolen or damaged beyond repair by vandalism recycling cart will be replaced at no cost to the homeowner.

PROHIBITED PRACTICES

Animal Carcasses and feces must be disposed of onsite and at least seventy five (75) feet from private wells.

Ashes pose a serious safety hazard and will not be picked up.

Paint Cans (latex only) containing paint will not be picked up. Cans which are wiped clean may be placed with the metal pick-up. Contaminated empty cans may be placed in the trash, covers off and no residue.

Unacceptable items such as hazardous materials (i.e. oil based paints, automobile fluids and oil, pesticides/rodenticides), rocks, logs, stumps, concrete, asphalt, brick, dirt and large truck, tractor tires are not picked up at curbside.

Many hazardous materials may be dropped off at the MidNEROC Chemical Waste Drop-off Facility – please see pages 11-13.

Mixing recyclables and regular solid waste at curbside is prohibited. **Mixed solid waste will not be picked up.**

Propane tanks, camping or grill, cannot be recycled. They should be brought to the propane dealer for recycling.

RECYCLABLES AT CURBSIDE

PERMITTED

NOT PERMITTED

HOW TO DISPOSE

CARDBOARD/PAPER

Non-waxed corrugated boxes, kraft paper, materials and manila envelopes. Cereal boxes, chipboard, milk and juice cartons. Detergent boxes. Brown paper bags, mixed paper (including multi-ply carbon paper), copy, white, color and computer paper, file folders, school papers, soft and hard covered books (including phone books).

Contaminated boxes or similar containers. Styrofoam is regular trash.

Flatten cardboard boxes and place in blue recycling rolling cart.

NEWSPAPERS

Newsprint-newspapers, advertisements, supplements and other newspaper inserts. Junk mail, magazines and brochures.

Cellophane, plastic coated paper, wax coated cardboard, pizza boxes, rubber bands or plastic bags.

Place in blue recycling rolling cart.

PLASTIC CONTAINERS

#1 through #7.

Lids and bottles that have come in contact with motor oil, pesticides or herbicides.

Please rinse clean and place in blue recycling rolling cart.

GLASS FOOD CONTAINERS

Transparent glass containers: jars and bottles-green, brown or clear. Only food containers, please.

Light bulbs, crystal, windows, mirrors, coffee mugs, ceramics, heat treated glass (Pyrex), broken glass or lids are regular garbage.

Remove cover and discard it, rinse clean and place in blue recycling rolling cart. **Do not break.** Labels need not be removed.

PERMITTED

NOT PERMITTED

HOW TO DISPOSE

METAL FOOD CONTAINERS

Aluminum, steel and bi-metal cans, pots and pans, plates, trays, pie tins and aerosol cans.

Aluminum siding. Nothing part aluminum and part plastic.

Please do not crush. Please rinse clean and place in blue recycling rolling cart.

REMEMBER-THIS IS A MANDATORY PROGRAM, NOT A VOLUNTARY ONE!

RECYCLING NOTES

The Blue Recycling Rolling Cart is the property of the Town of Tolland. It stays with the residence if you move. It must be used in conjunction with the recycling program because it signals the recycling truck to stop.

BULKY WASTE AT CURBSIDE

(This will only be picked up the first full week of every month. Town sponsors months of Sept. 2015 and April 2016 and resident pays \$32 for other 10 months.)

TELEPHONE NUMBER TO CALL – (800) 286-5335 or (860) 423-4527

OR

**MAKE RESERVATION THROUGH
WILLIMANTIC WASTE’S WEBSITE
AT WWW.WILLIWASTE.COM
(4 DAYS ADVANCE NOTICE)**

Beginning 7/1/14, Town sponsored metal/bulky waste pick-ups will be 2 times per year, during the first full week of September 2015 and April 2016. Reservations are required at least four (4) days in advance or your items **WILL NOT** be picked up. Our vendor, Willimantic Waste Paper, will do 10 additional monthly metal/bulky waste at curbside pick-ups per year with the resident being charged by the vendor \$32 per pick-up for up to (4) reasonable sized items. Reservations are not confirmed until payment is received by Willimantic Waste Paper for those months where there is a charge. Reservations can only be made by calling Willimantic Waste Paper at the phone number above. Oil pick-up at curbside has been eliminated due to environmental concerns. All other procedures for bulky waste will remain the same.

PERMITTED

HOW TO DISPOSE

FURNITURE

Couches, chairs, box springs, mattresses, tables, cushions, chests, desks, etc.

Place at curbside.

**TREE PARTS,
SHRUBBERY**

Yard brush and tree branches (a reasonable amount). No logs or stumps please! **NO LEAVES
WHATSOEVER WILL BE
PICKED UP!**

Securely tie together – not exceeding three (3) feet in length and thirty-five (35) lbs. in weight. The limit is one cubic yard PER PICK UP!

**CONSTRUCTION
DEBRIS**

Full sheets of sheetrock **WILL NOT** be picked up. Must be broken down and contained.

Materials should be properly contained – a limit of one (1) cubic yard per pick up.

**NO SHINGLES WHATSOEVER
WILL BE PICKED UP.**

**PRE-TREATED
LUMBER**

Reasonable amount of larger pieces of pre-treated lumber (maximum of 4 feet in length).

Place at curbside.

TIRES

Two tires per bulky waste pick-up either on or off the rim are acceptable.

Place tires at curbside for pick-up.

BATTERIES

Wet cell storage batteries for autos, trucks, machinery, etc.

Place at curbside, caps secure.

Town sponsored bulky waste pick-up (September 2015 and April 2016), as defined above, is intended to serve the resident's occasional need for disposal of large cumbersome household items that would not normally constitute rubbish or recyclable items. This service is not intended to replace the need for individually contracted services associated with construction, renovation or a major cleanup. The contractor shall notify the Director of Administrative Services of requests that exceed a reasonable and practical service level. The Director or his agent shall determine if the request exceeds our standard service. In determining the appropriateness of a particular request, consideration will be given to the volume, weight, number and type of items to be disposed of as well as history of past requests at the same address. In cases where the determination that the request exceeds our conventional limits, residents have the option of separately contracting for waste removal services or disposing of the items over several pick-up periods. No anti-freeze, oil and gas. Oil tanks must be cleaned of all oil and cut in half. Large car parts such as complete engines, frames, truck beds and large truck cabs need to be cut up into 3x4 pieces approximately 50 pounds each. Hot tubs, saunas, furnaces, and boats need to be cut up into 3x4 pieces approximately 50 pounds each. Per state law, no electronic waste (computers, monitors, printers and televisions) will be picked up as of January 1, 2011.

METAL PICK-UP AT CURB

(This will only be picked up the first full week of every month. Town sponsors months of Sept. 2015 and April 2016 and resident pays \$32 for other 10 months.)

TELEPHONE NUMBER TO CALL – (800) 286-5335 or (860) 423-4527

OR

**MAKE RESERVATION THROUGH
WILLIMANTIC WASTE’S WEBSITE**

AT WWW.WILLIWASTE.COM

(4 DAYS ADVANCE NOTICE)

Beginning 7/1/14, Town sponsored metal/bulky waste pick-ups will be 2 times per year, during the first full week of September 2015 and April 2016. Reservations are required at least four (4) days in advance or your items WILL NOT be picked up. Our vendor, Willimantic Waste Paper, will do 10 additional monthly metal/bulky waste at curbside pick-ups per year with the resident being charged by the vendor \$32 per pick-up for up to (4) reasonable sized items. Reservations can only be made by calling Willimantic Waste Paper at the phone number above. Oil pick-up at curbside has been eliminated due to environmental concerns. All other procedures for bulky waste will remain the same.

**Scrap Metal,
Auto Parts**

Bike parts, bed springs (not box springs), aluminum siding, wheels, fenders, transmissions, brake drums, axles, lawn chairs, etc.

All metal must be free of any chemicals, fluids, webbing, rubber, vinyl, plastic, etc. Please note that only clean metal will be collected. Please place at curb.

White Goods

Stoves, refrigerators, freezers, dishwashers, air conditioners, washing machines, file cabinets, sleeper sofas, lawn mowers, fixtures, etc.

Remove doors from all stoves, freezers, refrigerators, dishwashers, dryers, washing machines and place at curb.

Toys

Metal bikes, tricycles, skis, large toys, etc.

Remove rubber tires, plastic seats, etc.

NOTES

1. Large unwieldy items such as swing sets, TV antennas, car parts and chassis, riding lawn mowers, pipes, etc. **must** be disassembled or cut up before placing at the curb. Whole cars should be brought to an auto recycler for disposal.
2. Please separate metal from regular garbage (i.e. metal clean of everything). If this is not possible, please call for a Bulky Waste pick-up.
3. Metal and Bulky Waste must be separate.

Questions or for more information:

For general recycling questions: Call **(860) 926-4695** or **(860) 871-3600**

For specific pickup problems: Call **(860) 926-4695**

We would like to thank you for all your cooperation and help in making the Recycling Program a success. Together we have done a terrific job and hopefully it will continue!!

MidNEROC CHEMICAL WASTE DROP-OFF FACILITY

57 Hancock Road
Willington, CT
(860) 684-3163

The facility will be open from 9:00AM to 2:00PM on the first and third Saturday of each month from mid April to early November except holiday weekends.

The Mid Northeast Recycling Operating Committee (MidNEROC) member towns include:
Andover, Ashford, Bolton, Chaplin, Columbia, Coventry, Eastford, Hampton,
Mansfield, Scotland, Tolland, Union, Willington and Windham.

PLEASE DO YOUR PART!

ACCEPTED MATERIALS

From the House:

Drain, Oven and Floor Cleaners
Metal Polish
Dry Cleaning Fluids
Arts & Crafts Supplies
Photo Chemicals
Fluorescent Bulbs
Aerosol Cans with Hazardous Waste Contents
Household Batteries (except Alkaline)
Thermostat with Mercury

From the Garage:

Fire Starters
Old Chemistry Kits
Engine and Radiator Flushes
Contaminated Gasoline
Kerosene
Waxes and Polishes
Sealant-Driveway/Patio

From the Workbench:

Rust Preventative
Wood Preservatives
Oil Based Paints
Paint Thinners
Solvents
Wood Strippers
Lead Based Paints
Degreasers

From the Yard/Garden:

Pesticides
Herbicides
Pesticides or Herbicides with 2, 4, 5-T or Silvex
Rodent Killers
Insect Sprays
Fertilizers
Muriatic Acid
Cesspool Cleaners
Pool Chemicals

MATERIALS NOT ACCEPTED

Latex Paint – can be dried out in its can and safely disposed of in the trash or be given to someone to use. Excessive paint can be soaked up with kitty litter or rags.

Alkaline Batteries – can be disposed of in trash.

Asbestos – contact CT DEP, Technical Assistance at (860) 424-3372.

Car Batteries – bulky waste item.

Florescent Bulbs (Compact) – Home Depot and Lowes accept these bulbs.

Transmission Fluid and Anti-Freeze – can be brought to Bill's Auto Parts, Route 74, Tolland (860) 875-6231. There will be a \$2.00 charge per gallon of anti-freeze and no charge for transmission fluid. Hours: Mon.-Fri. from 8:00 am-5:00 pm and Sat. from 8:00 am-noon.

Used Motor Oil – can be brought to Bill's Auto Parts at no charge.

Explosives, Fireworks, Ammunition - contact Troop C at (860) 896-3200.

Propane Tanks/Gas Cylinders-Refillable – return to the company which distributed them.

Wood Preservative containing penta chlorophenol – there is no known safe way of disposal. Store in leak-proof containers out of reach of children.

Water Reactive Materials – chemicals such as peroxides and metallic sodium. Contact your local Fire Marshal for proper disposal (860) 871-3675.

Radioactive Materials – Contact CT DEP at (860) 424-3372.

Biologically Active Material – usually pathological matter. Contact CT DEP Hazardous Waste Division at (860) 424-3372.

Medication – Usually can be disposed of with trash. Contact Consumer Protection-Food and Drug Administration at (860) 713-6065.

Unknown Material – contact CT DEP Waste Bureau at (860) 424-3372.

Needles and Syringes – Place in puncture-resistant, hard plastic or metal container. Secure container and place in paper bag and discard with trash. Prior to disposal, disinfect sharps in 1 teaspoon bleach with ½ gallon water.

Chemical Waste is a Problem

When hazardous wastes are poured down the sink or toilet, dumped “out back”, poured into a street drain or put out with the trash, they eventually make their way into our water supply. Bring your household hazardous waste to the MidNEROC Chemical Waste Drop-Off Center.

How to Prepare the Materials

Pack carefully in original containers only, sealed and labeled.

- Do not mix materials.
- Place carefully in car, prevent tipping.
- Drive carefully. Do not smoke while handling and transporting materials.

**LIMITATIONS: UP TO 10 GALLONS
LIQUID (ONE GALLON OR LESS OF EACH MATERIAL)
AND 100 LBS. OF DRY MATERIAL.
BRING PROOF OF RESIDENCY.
NO COMMERCIAL USERS.**
