# Senior Happenings

*Dedicated to Tolland's Senior Citizens*

**Hi Folks:** Well, it's truly here: Spring! Last weekend I met with some of the Girl Scouts from Troop 65061 in Tolland. These eager, young girls had a desire to help our seniors. They wanted to do something with gardening. So Pat Gugliotti, Roberta Howd, Jean Koziak and I met them, their troop leaders, some moms and one dad on Sunday afternoon. They worked for three hours straight. They cleaned out all the flower beds, and divided all the day lilies. The day lilies now grace our garden further on down the parking lot, which was looking kind of sparse. They also are going to be planting tomato plants in pots and an herb garden. We will be able to use these tomatoes and herbs for our delicious lunches. How great is that! We so appreciate their help and youthful energy.

Steve Boyer, our Country Butcher surprised us with the idea of having our April Birthday Lunch catered by him. Steve has done this in memory of his Mom and Dad, Betty and Al Boyer to welcome Spring!! The meal was fabulous, it gave our chefs a break and Steve is always such a joy to be around! His smile is so infectious and reminds us of both of his parents and how much they meant to us. Thank you, Steve. We miss your folks, and are so grateful for all the memories.

Just to give you a heads up, I will be asking for some baked goods for the most important fund raiser, Relay For Life. This won't be until Friday, June 10th, but if you could mark your calendars and take some time to bake for this, it would be most appreciated.

I want to draw your attention to our motto here at the Senior Center:  
*ASPIRE TO INSPIRE*. We placed the motto above our kitchen door, so next time you're here, check it out. It looks really neat.

*Our friends at Woodlake, Vernon Manor and Fox Hill*

We want to extend our sympathy to the family of Rebecca "Becky" Messier. Becky was very active at the Senior Center, and took on the chore of decorating our Senior Center every season.

She will be greatly missed.

We also lost Lois Lake and Nell Wanat in the past month.

Our condolences to their families in their loss.

### Tai Chi Qi Gong

Along with China's emergence as a global economic power, its cultural influence is also spreading. Basic to the daily activities of millions of Chinese is the practice of Qi Gong. Qi Gong emphasizes breath control through deep abdominal breathing, along with slow graceful movements. Tai Chi emphasizes more active, but controlled and deliberate movements similar to kung fu. Both Qi Gong and Tai Chi are performed with the intention of calming and focusing the mind (meditation) on the energy (chi) of the practitioner and the source of that energy. The objective of both Qi Gong and Tai Chi is to tap into that vital energy and by doing so bring the body and spirit into balance.

In our classes we use Qi Gong exercises as a prelude to the more physically active practice of Tai Chi.

"I will meet the dawn with a confident enthusiasm; a smile upon my lips and a song in my heart. I will not hurry or worry or fret – I will just move on to eventide.

This is my daily pledge.

From *'My Daily Pledge'* by *Chelsea C. Shirlock*

Fran and I are talking about a date to honor our many volunteers. We have so many people to thank – people who give time, energy, joy, friendliness, hugs, visits to the nursing home and homebound, food, decorating. If you find yourself in this category, we honor and thank you for your contribution to your community. It's you folks who make things happen in and around our town, and especially at the Senior Center. So, when we get the date locked in with all who are involved, we will certainly let you know. In the meantime, and always, please know how very much we appreciate you.

With the beginning of each new year comes new changes to health insurance plans, including Medicare. Most of the changes this year comes from the Patient Protection and Affordable Care Act signed into law on March 23, 2010. It is important for seniors to understand these changes so they continue to receive the best possible health care from their providers.

**Medicare Premiums**

For most seniors, there will be minimal changes to Medicare premiums. Because there is no cost of living increase (COLA) issued by the Social Security Administration, Medicare Part B premiums are prohibited from increasing also. The 2011 monthly premium will remain \$96.40 for most existing beneficiaries or \$110.50 if you are a new enrollee to the plan in 2010. For those enrolling in 2011, the premium will cost \$115.40 per month.

Those who have higher incomes, however, will pay higher premiums. The premiums, based on the 2009 IRS tax return, are as follows:

- Individuals with incomes of \$85,000 to \$107,000, or married couples filing joint tax returns with incomes of \$170,000 to \$214,000, will pay \$161.50 per month.
- Individuals earning \$107,000 to \$160,000, couples \$214,000 to \$320,000, will pay \$230.70 monthly.
- Individuals with incomes of \$160,000 to \$214,000, couples \$320,000 to \$428,000, will pay \$299.90 each month.
- Individuals over \$214,000, or couples above \$428,000, will pay \$369.10 per month.

.....Continued page 5

***Programs for Homebound, Seniors and Their Caregivers***  
***Rebecca Ellert, Elderly Outreach Caseworker (Continued)***

Medicare beneficiaries with higher incomes will also have a surcharge on Part D premiums. Those with individual incomes of \$85,000 or more (or over \$170,000 for joint filers) will pay an additional \$12 to \$69.50 per month, depending on their income, for the prescription drug plan.

**Medicare Deductibles and Co-Pays**

All Medicare Part B beneficiaries will see a rise in their deductible, which will increase from \$155 in 2010 to \$162 in 2011.

The Medicare Part A hospital insurance deductible will also increase. For hospital stays up to 60 days, the cost will increase from \$1100 to \$1132. For stays lasting longer, the per day rate will be \$283 for hospital stays lasting between 61 to 90 days and \$566 per day for 91 to 150 days.

The skilled nursing facility co-payment for days 21 to 100 will increase from \$137.50 per day to \$141.50 per day.

**Donut Hole Discount**

The "donut hole" describes a coverage gap that begins when you and your drug plan have spent \$2840 on prescription drugs. Until the end of the gap is reached, at \$4550, Medicare beneficiaries previously paid full price for their medications. Beginning today, seniors who have reached the coverage gap will receive a 50% discount when purchasing Medicare Part D covered, brand-name prescription drugs. If you use generic drugs, you will receive a 7% discount after reaching the donut hole.

While you might think that this benefit will extend the donut hole (because you've spent less money toward reaching the end of the gap), the full price of the prescription drug is counted toward the goal of \$4550 – not the discounted cost you pay.

These are just some of the changes in Medicare that have been implemented since the beginning of 2011. I'm sure more are on the way.

***Peace,***  
***Rebecca***

## Getting to Know You

*By Gerry Liebla*

Barbara was born and raised in the Indian Orchard area of Springfield, Massachusetts, where she attended school from kindergarten through ninth grade and went on to graduate from Classical High School in Springfield. After graduation Barbara attended Colby Junior College in New London, New Hampshire for three years and spent her fourth year interning at Springfield Hospital which is now Bay State Medical Center. She received a Bachelor of Science degree in Medical Technology and became a registered medical technologist, in charge of the hematology lab. When still interning at the hospital and on vacation at Lake George in Wales, Massachusetts, Barbara met Harry. They dated for two years, were engaged for two years and then married in 1957. After three months, Harry was drafted and went off to serve in the U.S. Army while Barb moved in with her parents.

Harry was gone for over a year and returned to Barbara and his three-month-old daughter, Donna. They left Springfield for East Hartford, where they lived three years and then to their current home in Tolland. Barbara left the lab after Donna's birth but after a time she was back at the hospital, opening an outpatient department and working part time. On work days Barbara left Donna in the care of a good friend who was a stay-at-home mom. At other times, Barbara's aunt filled in for child care. That's what people did before elaborate day care centers became the norm. She has two children, four grandchildren and is great grandma to Emma, just a year old.

Barbara enjoys reading and knitting and up until just a few years ago, loved to go camping. Their camping started with a tent and they graduated to a pop-up camper and then to a truck camper. She and Harry and the children camped throughout New England and the Connecticut shore and along the east coast. Barb recalls fondly a 4-vehicle caravan to Disney World when the kids were aged 13 and 15. Bird watching is a pleasant past time right at the window off their deck. She also does a lot of scrapbooking and has created albums for two of her grandchildren so far, depicting events in their lives from birth to age 21. Currently, there's an album of her house from 1962, to the present in progress.

She and Harry have traveled to Seattle and have gone on two cruises, one to the Caribbean and the other to Bermuda. Still on the go, they often go to Richmond,

**Getting to Know You (Continued)**

**By Gerry Liebla**

Virginia to visit her sister-in-law and join whatever comes up in day trips sponsored by the Senior Center.

Barbara was active in school activities and was an original in Parents for Interaction at Middle School in the 60's. She taught Sunday school for many years at her church and has been a member of the prayer shawl ministry there from its beginning. A steady presence at the Tolland Senior Center, Barbara mans the phones in the office on Mondays, attends luncheons, goes on day trips from the Senior Center, plays cards, chairs the Christmas Bake Sale, will chair the Tag Sale again this year and has taken on responsibility for leading the Book Discussion Group. A member of the group since it began a few years ago, she said that she has read books that she may otherwise not have picked for herself and that's what she enjoys about the group

She said that people may not believe that she used to be very shy and when she was young she hid behind her mother's skirts. Her shyness left her when her children went to kindergarten and she was asked to be president of the Tolland Cooperative Kindergarten. She said that was the beginning of her "Yes Years" and she's been taking on voluntary duties and meeting new people ever since.

Employed by the Tolland School System, Barb worked in the Guidance Office at Middle School for twenty-eight years, retiring in 2001. I asked Barbara if she enjoys cooking. She has done a lot of it but says that Harry really enjoys it. Because he retired before she did, he made a proposition: He would do the cooking if she did the cleanup. It was a deal. She loved coming home to dinner already prepared, not having to think while driving home from work, what she would cook for dinner. Although she's now retired, the arrangement continues and they both enjoy it.

What's her favorite place in the entire world? After just a moment's thought, Barbara described an evening aboard a cruise ship docked in Hamilton, Bermuda, standing on the top deck and looking down at the Governor's Marching Band going up Front Street and all over the town. Dancers in colorful costumes, the music, the uniforms, a full moon and the perfect temperature of a balmy evening were an experience she remembers clearly and considers a Perfect Ten.

Anyone who frequents the Tolland Senior Center knows Barbara and for those of you who go only occasionally, try to find her and introduce yourself. She'll welcome you warmly.

## **HOCKANUM VALLEY COMMUNITY COUNCIL DIAL-A-RIDE PROGRAM 860-870-7940**

Tolland residents who are at least 60 years of age or disabled adults under 60 are qualified for the Dial-a-Ride service. Transportation is provided between 8:30 a.m.–4:00 p.m., Monday through Friday excluding holidays. Dial-a-Ride travels to all locations in Vernon, Ellington and Tolland including medical appointments, shopping, social and recreational. Whenever possible grocery and other shopping trips are provided on a group basis.

In order to continue to provide reliable safe transportation to the Tri Town area, a \$1.00 donation will be needed when boarding the van on each trip. Round trip costs \$2.00. You must have the exact amount as the drivers will not have change. To make reservations, call 860-870-7940 between 8:30 a.m.–2:00 p.m. Reservations for medical appointments are taken up to 28 days in advance. All other reservations are taken up to 14 days in advance.
