## 170-117 F. Sandwich Board Sign Regulations

Sandwich board signs are permitted in the Gateway Design District, Neighborhood Commercial and Commercial Industrial Zones subject to the following standards:

1. Sandwich board signs require a sign permit prior to the placement of the sign.
2. Sandwich board signs shall be no larger than thirty-two inches in width and forty-eight inches in height and no materials such as papers, balloons, wind socks, etc., may be added to the sign to increase its height and/or width. The height of such signs may not be artificially increased above the allowed maximum by placing material underneath the base of such sign.
3. Sandwich board sign for a business may be displayed for up to two weeks at a time for no more than four (4) such times in a calendar year.
4. A sandwich board sign may be placed no closer than 150' from another such sign.
5. Sandwich board signs must be secured to withstand strong winds and to prevent a roadway hazard.
6. No sandwich board sign shall be placed in the public street right-of-way or in any public parking place.
7. Sandwich board signs may be used only during the hours when the business is open to the public.
8. No sandwich board sign shall be placed so as to obstruct vehicular traffic sight distance triangle requirements.
9. All sandwich boards signs shall be constructed of weather resistant material and shall comply with design standards for material and color.
10. No sandwich board sign shall contain foil, mirrors, bare metal or other reflective materials which could create hazardous conditions to motorist, bicyclist, or pedestrians.
11. No sandwich board sign may contain lights of any kind.
12. These sandwich board regulations will expire in one year on July 1, 2010 unless extended.
