Town Manager’s Office

Human Resources

Our longtime Senior Center Director Fran Weigand has decided to retire in October. Fran has given so much to the seniors in Tolland and dedicated countless hours to the Senior Center and Tolland. She will be missed. We wish her well in the next stage of her life.

New Public Works Mechanic James Fontaine started in late July filling a vacancy from June. We wish him well in his new position.

Board of Education

For a Board of Education update, please visit the link below:
http://www.tolland.k12.ct.us/DistrictOffices/superintendent/superintendent_willett_s_page

Collector of Revenue

Total Revenue Collections for the 2019 Grand List for the month of July were $19,694,137 or 43.11% of the actual Total Collectible amount. The due date for the July installment was August 3, 2020 and the office continued to process timely postmarked mail the first week of August.

This month the Tax Office will send Delinquent Statements for real estate, personal property and motor vehicle tax bills. All Delinquent motor vehicle tax bills will be reported to the Department of Motor Vehicles and a $5 DMV fee will be added to all bills.

Finance

- The Finance Department continues to work on year-end closeouts and preparing for audit.
- The Finance Director continues to meet with the Board of Education Finance staff in order to ensure that the reconciliations are going smoothly and that they will be ready for year-end requirements.
- We are in the process of compiling all the data and preparing the FEMA reimbursement request for COVID expenses. Once we receive the FEMA award, we will then apply to the State under the CARES act program to try to obtain reimbursement for the balance not awarded by FEMA.
- Updated the Birch Grove construction balances for the portion that the State reclassified from the Portables for certain Architectural fees from the Portables project. Worked with Beverly Bellody
to make sure we had all the correct budget numbers in place to agree with the various contracts. Beverly is doing an awesome job with keeping the construction paperwork and grant drawdown information up to date. The Finance Department also developed a special spreadsheet to keep track of the grant reimbursements.

- Attached you will find the annual Utility Reserve Fund overview. A copy of this report has also been sent to the Superintendent of Schools to provide to the Board of Education.

Human Services

Assistance Programs

The following assistance programs are available through the Human Services Department:

- Connecticut Energy Assistance Program (CEAP/CHAP) – Applications for the 2020-2021 energy assistance program will be taken starting in early September; fuel deliveries will begin in mid-November. Release of income guidelines and assistance allocations for this year’s program is pending approval of the CT General Assembly.
- Tolland Food Bank – Donations are still being collected at the Tolland Fire Training Station on 191 Merrow Road. Distribution is by appointment only.
- FoodShare Mobile Food Pantry – distribution dates 8/13 & 27; 9/10 & 24, 2020
- 2020 Senior Farmer’s Market Nutrition Program – During the month of July, Human Services staff distributed vouchers to elders in the community and those who live in Tolland Senior Housing.
- Tolland Fresh – In coordination with the Tolland Agriculture Commission, Human Services staff have distributed over 275 vouchers that can be used to purchase fresh fruits, vegetables, meat, honey, eggs, syrup, cheese and herbs from participating Tolland Farms. This program will run until 12/31/2020.

The following information and ongoing programs/services are also available through the Human Services Department:

- Local Prevention Council – virtual Suicide Prevention/Opioid trainings (QPR[Question-Persuade-Refer]/Narcan), activities proposed in the CT State Opioid Response (SOR) Grant application, are in the process of being scheduled for late August/September. These programs are free and open to the community. Registration information will be announced when available.
- Crisis counseling and Case management – ongoing.
- Review of residents’ Medicare eligibility/options – ongoing.
- Housing Rehab Program & Fair Housing – ongoing Town contact is Beverly Bellody.

Renter’s Rebate

Applications are being accepted thru October 1, 2020 – This income-based program provides a one-time payment to renters based on the rent and utilities paid in 2019; proof of income and rent/utility expenses for 2019 must be provided. To date, 49 applications have been processed for a potential of over $27,000 in rebates.
Household Income Guidelines (2019)

See [https://www.tolland.org/human-services/pages/renter’s-rebate](https://www.tolland.org/human-services/pages/renter’s-rebate) for additional program details/requirements.

For further information on the above or other Human Services information/services, residents may contact Human Services at (860) 871-3648.

The Human Services Director is currently working on the Birch Grove Building Committee and is liaison to the Water Commission.

**Youth Programming**

In-person youth programs remain suspended until further notice due to the pandemic. The following virtual programs are available:

- **TYSCT** – A Tribute to the 2020 TYSCT Graduates looks back over the TYSCT summer musicals from 2009-2019, and 2016-2019 Coffee Houses – the years that all of our 2020 graduates participated in these events, through videos and pictures. Access the video at [https://youtu.be/bASTmNwQx-I](https://youtu.be/bASTmNwQx-I); released on YouTube 7/25/2020.

For more information about programs and services for Tolland youth and families, residents may contact Nancy Dunn, (860) 871-3612 or nancydunn@tolland.org, or visit [https://www.tolland.org/youth-services](https://www.tolland.org/youth-services).

**Senior Center**

The Senior Center remains closed until further notice due to the pandemic. Although we are unable to meet in person at the Senior Center, staff is becoming very creative with Zoom. They are also making and receiving daily phone calls from residents. Please call the Senior Center at (860) 870-3725 or (860) 870-3730, and see the Senior Center Newsletter on our website: [https://www.tolland.org/senior-services](https://www.tolland.org/senior-services).

**Library**

The Tolland Public Library Advisory Board met remotely on July 27th. In light of the pandemic a Patron Code of Conduct policy was created, discussed and approved.

A phased reopening of the Library began on July 16th with patrons being able to schedule computer appointments. Copying and faxing by staff was also available as well as curbside service being extended to out of town patrons.
Stage 2 of the phased reopening began on July 30th with patrons scheduling time to browse new items in the adult, young adult and children’s areas.

On July 31st Mr. Magic entertained over 80 adults and children at two outdoor shows. Social distancing was followed as was the wearing of masks.

**Planning & Development**

- All boards and commissions staffed by this department continue to hold regular meetings remotely.
- The Planning and Zoning Commission received an application to amend the Zoning Regulations to allow drive-through service at restaurants in the Tolland Village Area. The public hearing, which will be held remotely, is scheduled for August 24th. Anyone may speak at the hearing; any written comments must be submitted to hsamokar@tolland.org by noon on August 20th.
- The Planning & Zoning Commission continues its work with a consultant to update regulations for Business Zones. In July, they focused on the Technology Campus Zone. The Commission expects to hold a public workshop on that zone in the upcoming months (likely a remote meeting). For details, including reports from the consultant, see [https://www.tolland.org/planning-development/pages/zoning-regulation-updates-2020](https://www.tolland.org/planning-development/pages/zoning-regulation-updates-2020)
- Staff conducted 29 erosion and sediment control inspections in July.
- Current and recent applications for the Planning and Zoning Commission, Zoning Board of Appeals and Inland Wetlands Commission can be found under “Applications Pending” on each of their web pages.

**Building Department**

**Town Projects**

- The Building Department is busy with issuing permits and performing inspections
  - Continued success closing out old, open permits.
  - Daily interaction with various departments to better the Town, as a whole.
  - Answered counter and phone questions from residents, contractors and realtors.
  - Every effort is made to provide the highest level of customer service.
  - Much time is spent on crumbling concrete foundation concerns.
- Solar permits issued this month: 13.
- Calls from Fire Department/Emergency: 2 after hours; 2 total.
- Work without permits: 0 cited – full compliance achieved.
- Participated in Development, Staff and E.O.C. meetings.
- Participated in numerous discussions regarding blighted properties and junk cars
  - Building Official is the Blight Enforcement Officer.
  - Received 2 blight complaints.
  - Made 2 site visits.
- Attended continuing education classes, as required by State Statute.
- Building Department is the primary contact for all Special Event Permits
  - 0 Special Event permit processed.
- Assisted the Zoning Enforcement Officer with field inspections.
• Assisted the Zoning Enforcement Officer with illegal sign enforcement.
• Conducted multiple inspections at the Birch Grove Primary School jobsite.
• Building Official and his staff spend significant time with potentially crumbling foundations
  o Building Official continues to work with CRCOG to pre-vet vendors and contractors and refine
    best-practices to repair crumbling foundations.
  o Building Official met with CFSIC Superintendent to review repair solutions/scenarios for
    crumbling foundations.
• Building Department Administrative Assistant assists other departments on an as-needed basis.
• Building Official is one of the two Municipal Designees for the enforcement of the Sector Rules,
  regarding some businesses reopening under the Governor’s Executive Orders.

Commercial

• Consultation, plan review and inspection with the Fire Marshal regarding:
  o All commercial new construction and remodeling.
  o Commercial C.O.’s.
  o Change of use requests.
  o Special Event permits.
  o All propane tanks installed.
• Conducted numerous inspections with Fire Marshal DaBica, utilizing a “team approach” to better obtain
  compliance and enforce life-safety codes and regulations.

The July Summary Building Report is attached.

Public Safety

• On July 6th we welcomed FF/EMT Christopher Handel when he joined the career staff as a
  Public Safety Officer (PSO). Formerly a per-diem PSO, Chris fills the vacant position created
  in February with the departure of PSO FF/EMT Joseph Duval Jr.

Animal Control

• In the month of July, the Animal Control Department answered 56 calls/complaints during
  regular & after work hours.
• The Town of Tolland Animal Control Facebook Page has 3,992 “followers”.
• Officers continue to patrol parks and trail systems.
• “Kent”, the elderly Domestic Shorthaired cat which was impounded in June, has been adopted
  with the help of Dr. Brown at Fenton River Veterinary Hospital.
• Officers impounded several roaming dogs. All owners were found and dogs were redeemed.
• Officers assisted the CT State Police with a dog needing to be held in protective custody.
• Officers investigated multiple potential animal neglect/cruelty cases. Officers are working with
  owners to correct conditions.
• Officers assisted the CT Humane Society with the removal of 80 indoor rabbits from a residence.
  The rabbits were all transported to CT Humane Society and went to various rabbit rescue
  organizations. The remainder of the case was turned over to the Health Department and Building
  Inspector.
Officers assisted with two injured hawk cases. Both hawks were taken to Horizon Wings and then to Tufts. Sadly both had untreatable ailments. One was found to have been shot and the case was transferred to U.S. Fish & Wildlife for investigation.

We held a successful “Drive Thru” style Low Cost Rabies Vaccination Clinic at Tolland High School. All staff and attendees wore their proper PPE and Fenton River Veterinary Hospital staff were able to vaccinate 78 animals.

Officers continue to assist with sick/injured/trapped wildlife. A raccoon was removed from a local business’ dumpster where he had been trapped. Two bats were removed from separate residences; one was taken to the CT Health Laboratory for rabies testing for possible exposure/bite. Rabies testing on the bat returned negative results.

Officers continue to work with the Public Safety Department on the SOG’s and executive orders in regards to the COVID-19 Pandemic.

Officers are still operating a Pet Food Pantry for residents who are unable to provide food for their dogs/cats. Residents in need of pet food assistance should call the Animal Control Office at 860-871-3676. Arrangements will be made for a “no contact” pick up.

Emergency Management

Emergency Management Director John Littell closely monitors all State WebEOC communications, information and weather-related advisories during the month. Advisory bulletins are redistributed to appropriate personnel.

On the evening of March 12th a Public Health/Civil Preparedness Emergency was declared by Town Manager Michael Rosen for the Town of Tolland. On March 13th Tolland’s Emergency Operations Center (EOC) status was changed to “Activated” in response to the Coronavirus pandemic and Public Health/Civil Preparedness Emergency declaration and continued throughout the months of March, April, May, June and July.

Director Littell and Public Safety Admin staff have been working as needed in the EOC throughout the month.

During the month, the Director and staff continue to attend virtual meetings and conference calls with local, state and federal authorities. Information gleaned from these meetings has been disseminated appropriately.
In conjunction with the Human Services Department a non-perishable Food Drive was organized. Residents are able to drop off non-perishable food items at the Fire Training Center weekdays from 8:00 am to 12:00 Noon to help stock Tolland’s Food Pantry.

On March 29th President Donald J. Trump approved a Major Disaster Declaration for the State of Connecticut. This Presidential Declaration enables the state, tribal and eligible local governments, and certain non-profit organizations to apply for FEMA Federal funding on a cost-sharing basis. The Department continues to keep detailed records documenting all aspects of this crisis.

During the month staff continued to request PPE from the State to supply Town departments as facilities were reopened to the public. Supplies were disseminated through the Town Manager’s Office.

Community volunteers have been assisting Emergency Management in retrieving PPE supplies from PODs.

Staff has worked with members of the Finance Department preparing the FEMA application materials.

Documentation for 018E142A, FFY 2018 EMPG reimbursement was submitted to the State.

Executed documentation for the FFY 2020 State Homeland Security Grant Program Region 3 Memorandum of Agreement was finalized and sent into CRCOG.

Tolland Alert Emergency Notification System

Three alerts were sent out during the month of July:

**TOLLAND ALERT: Severe Thunderstorm Warning 07/23/2020 16:25 EDT**
BULLETIN - IMMEDIATE BROADCAST REQUESTED Severe Thunderstorm Warning National Weather Service Boston/Norton MA 412 PM EDT Thu Jul 23 2020 The National Weather Service in Boston/Norton has issued a * Severe Thunderstorm Warning for... Hartford, West Hartford, Manchester, East Hartford, Enfield, Glastonbury, Vernon, Windsor, Mansfield, South Windsor, Simsbury, Bloomfield, Avon, Suffield, Ellington, Tolland, Windsor Locks, Coventry, Stafford and Somers. PRECAUTIONARY/PREPAREDNESS ACTIONS... For your protection move to an interior room on the lowest floor of a building. Torrential rainfall is occurring with these storms, and may lead to flash flooding. Do not drive your vehicle through flooded roadways. Thank you. End of Message

**TOLLAND ALERT: Severe Thunderstorm Warning Update 07/23/2020 17:06 EDT**
The severe thunderstorm warning for Tolland has been extended from 5:15pm to 6:00pm. Thank you. End of Message

**TOLLAND ALERT: Severe Thunderstorm Warning Update 07/23/2020 19:43 EDT**
The severe thunderstorm warning for Tolland has now been extended to 8:15pm this evening. Please stay alert for possible rapidly changing weather conditions. Thank you. End of Message
Fire Marshal

- Propane tank installation inspections.
- Review and approval of permits.
- Information sharing with insurance companies referencing fire suppression capabilities and underground water supply capabilities.
- Investigated fires gas leaks, complaints and prepared reports as required.
- Completed assignments as directed by management.
- Inspected business sites in operation.
- Assist FD while short on staff.
- Investigated fires and alarms as required.
- Answered several overnight off-hour phone calls for various problems including, Fire Alarms, CO detection, Smoke detection, Fire Alarm issues for residents, etc.
- Assisted Director of Public Safety as requested.
- Approved change of use occupancies.
- Continue site visits to Birch Grove demolition/construction site.
- Monitored tar pot safety, TMS roof repair/installation.
- Reviewed of occupancy local daycare expansion.
- Assisted relocation potential for daycare at vacant space on Hartford Turnpike.
- Periodic review of status of business occupancies.
- Completed adult daycare inspections.
- Monitored residential underground oil tank removals.
- Follow up with resolution on a 211 call referencing PPE local business.
- Inspected sports camp.

Fire Department

- The Department has reinstated in-person training activities while adhering to CDC guidelines.
- The Department has received and disseminated information and protocols regarding the Coronavirus from the CDC.
- Our Infection Control Officer monitors daily PPE requirements and provides updates in accordance with CDC guidelines.
- Staff, both career and volunteer, continues to provide exemplary services in these uncertain times, under particularly hazardous conditions.

Public Works

CT DOT Project 142-149 – The State’s Contractor has been back a few times since they stopped work
last winter to wrap up some of the remaining punch list items. They have a few more items to address
which will then complete the project. The area that was disturbed on Route 195 due to the water main
extension has now been milled and repaved.

Paving/Overlay Program – Our paving program for this season has been completed with a few areas
left to be back filled behind the curbing. The Engineering Firm, VHB, is reassessing our roads and
creating a new five-year plan for us to use as a guide for road rehabilitation.

Cyber Drive – After conducting thorough inspections, the Contractor has had to remove and reset some
of the sanitary lines before moving ahead with the connection to the main line on Route 195. The first
of eight buildings is expected to be connected to our system by mid-September.

Parks & Facilities – The crews have been working diligently on the preparation of the sports fields as
well as the maintenance of our Town buildings and grounds. We are continuing our efforts to help keep
the Town buildings sanitized on a daily basis as well. We ask that all of our visitors take notice of the
requirements and adhere to them for their safety as well as for the safety of our staff and for the other
visitor’s in our public buildings, thanks.

Highway Division – The crews have been continuing with road maintenance as well as wrapping up the
loaming and seeding behind the new curbing that was installed on the recently paved roads. They have
also been busy working on our hazardous tree program.

Walkway – The walkway that connects the Town Library and Town Hall to the new Senior Housing is
waiting for the installation of two benches and then the project will be complete.

Old Cathole Road – The Contractor is slated to return mid-August to backfill the curbing and seed any
of the disturbed areas. Overall, the project went very smoothly with very few concerns.

Underground Storage Tank – The UST is currently being replaced with a new tank being installed in
the basement of the Tolland Jail & Museum. The existing tank had reached its life expectancy and had
to be replaced before any chance of possible leaking took place. The new internal tank has been
installed and connected to the boiler. We expect the UST to be removed in the near future.
Once again, as the Director of Public Works, I would like to thank the Public Works employees for their continued dedication to helping us get through these difficult times, thank you.

**Recreation**

Recreation continues to offer a free Yoga class on Facebook Live. The schedule for the classes can be found on the Tolland Recreation Department’s Facebook page.

Last week we ran a wiffleball clinic. We had 34 registered. The program went very well.

This week we are running a Chris Corkum Baseball Clinic and a tennis clinic. Both programs have good participation numbers.

Currently, the COVID 19 virus has had a major impact on our operations. We have been able to open playgrounds and other park amenities.

The Kindness Counts has concluded at of the end of July. We displayed over 80 signs throughout Tolland.

**OTHER BUSINESS TO BE ANNOUNCED AS WARRANTED**

**BUDGETARY BASIS, Balance, 6/30/20**

<table>
<thead>
<tr>
<th></th>
<th>TOWN</th>
<th>BOARD OF EDUCATION</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>$310,227.52</td>
<td>$292,028.38</td>
</tr>
</tbody>
</table>

The Town ended the year with a reserve balance of $310,227.52 which decreased by $120,840.15. This decrease is a result of the use of the Town’s share of assigned fund balance to provide funding for energy related capital projects for $215,000. Savings offset the amount required for the projects. The savings were a result of electricity and other utilities not used due to the closure of some of our Town Facilities during the COVID response. In addition, there were some tariffs on street lights that did not increase as much as we had anticipated. The Board of Education ended the year with a reserve balance of $292,028.38 which decreased by $218,935.87. The decrease on the Board of Education side was due to the use of $370,000 for capital related projects also offset by savings due to closures required by the COVID response. The total reserve balance at June 30, 2020 was $602,255.90. Included within this balance are funds from previous years where we had various project energy rebates totaling $464,624. The fiscal year 2020-2021 Capital Budget reduces this total reserve by $95,000 for planned energy projects for the Town and Board of Education. The FY 20-21 beginning balance after this reduction is now $507,255.90.
