

## **BULKY WASTE AT CURBSIDE**

*(This will only be picked up the first full week of every month. Town sponsors months of October and May and resident pays \$32 for other 10 months.)*

**TELEPHONE NUMBER TO CALL – (800) 286-5335 or (860) 423-4527**

**OR**

**MAKE RESERVATION THROUGH  
WILLIMANTIC WASTE'S WEBSITE**

**AT [WWW.WILLIWASTE.COM](http://WWW.WILLIWASTE.COM)**

**(4 DAYS ADVANCE NOTICE)**

Town sponsored metal/bulky waste pick-ups will be 2 times per year, during the first full week of October and May. Reservations are required at least four (4) days in advance or your items **WILL NOT** be picked up. Our vendor, Willimantic Waste Paper, will do 10 additional monthly metal/bulky waste at curbside pick-ups per year with the resident being charged by the vendor \$32 per pick-up for up to (4) reasonable sized items. Reservations are not confirmed until payment is received by Willimantic Waste Paper for those months where there is a charge. Reservations can only be made by calling Willimantic Waste Paper at the phone number above. Oil pick-up at curbside has been eliminated due to environmental concerns. All other procedures for bulky waste will remain the same.

### **PERMITTED**

### **HOW TO DISPOSE**

#### **FURNITURE**

Couches, chairs, box springs, mattresses, tables, cushions, chests, desks, etc.

Place at curbside.

#### **TREE PARTS, SHRUBBERY**

Yard brush and tree branches (a reasonable amount). No logs or stumps please! **NO LEAVES  
WHATSOEVER WILL BE  
PICKED UP!**

Securely tie together – not exceeding three (3) feet in length and thirty-five (35) lbs. in weight. The limit is one cubic yard PER PICK UP!

#### **CONSTRUCTION DEBRIS**

Full sheets of sheetrock **WILL NOT** be picked up. Must be broken down and contained.

Materials should be properly contained – a limit of one (1) cubic yard per pick up.

**NO SHINGLES WHATSOEVER  
WILL BE PICKED UP.**

#### **PRE-TREATED LUMBER**

Reasonable amount of larger pieces of pre-treated lumber (maximum of 4 feet in length).

#### **TIRES**

Two tires per bulky waste pick-up either on or off the rim are acceptable.

Place tires at curbside for pick-up.

#### **BATTERIES**

Wet cell storage batteries for autos, trucks, machinery, etc.

Place at curbside, caps secure.

#### **GAS CONTAINERS**

Empty gas containers.

Containers need to be empty and all caps removed.

Town sponsored bulky waste pick-up (October and May), as defined above, is intended to serve the resident's occasional need for disposal of large cumbersome household items that would not normally constitute rubbish or recyclable items. This service is not intended to replace the need for individually contracted services associated with construction, renovation or a major cleanup. The contractor shall notify the Director of Administrative Services of requests that exceed a reasonable and practical service level. The Director or his agent shall determine if the request exceeds our standard service. In determining the appropriateness of a particular request, consideration will be given to the volume, weight, number and type of items to be disposed of as well as history of past requests at the same address. In cases where the determination that the request exceeds our conventional limits, residents have the option of separately contracting for waste removal services or disposing of the items over several pick-up periods. No anti-freeze, oil and gas. Oil tanks must be cleaned of all oil and cut in half. Large car parts such as complete engines, frames, truck beds and large truck cabs need to be cut up into 3x4 pieces approximately 50 pounds each. Hot tubs, saunas, furnaces, and boats need to be cut up into 3x4 pieces approximately 50 pounds each. Per state law, no electronic waste (computers, monitors, printers and televisions) will be picked up as of January 1, 2011. Please watch our website ([tolland.org](http://tolland.org)) for Town sponsored Electronic Recycling Events.
